

/historical

Description

Retrieve historical news up to today at 00:00 UTC.

Data available from September 2023 (i.e. 2023-09-01). If no parameter(s) passed to the url query then all news are returned since September 2023.

URL

<https://aria-crypto.com/api/v3/news/historical>

Method

GET

Authorization

You must set `X-Api-Key` in the header of the request. API key is provided by ARIA Technical Team.

```
headers: {
  'X-Api-Key': 'YOUR_API_KEY'
}
```

Parameters

category?: 'hot_news'

cryptos?: string

List of comma separated crypto tickers. The news returned by this filter will have a relation to ALL of them.

startDate?: string

Warning: All dates are in UTC

endDate?: string

Warning: All dates are in UTC

Returns

```
interface NewsResponse {
  error: string | null;
  data: INews[] | null;
}
```

Types

```
interface INews {
  title: string;
  summary: string;
  full_text: string;
  date: Date | string;
  source: string;
  is_hot: boolean;
```

```
    related_cryptos: string[];
  }
```

Example

GET https://aria-crypto.com/api/v3/news/historical?startDate=2024-07-29&endDate=2024-07-31&cryptos=BTC,SOL&category=hot_news

```
headers: {
  'X-Api-Key': 'YOUR_API_KEY'
}
```

```
